Advanced Detector Bracket

Detector bracket with LEDs and buzzer for local feedback far from the DPU-3

Detector bracket for WebiSmarts that gives local feedback of the radiation level for detectors installed far from the DPU-3. It is controlled by the DPU-3 and lights a green, yellow or red LED using the same thresholds as the DPU-3, and a volume-adjustable buzzer sounds when a threshold is breached.

Weight

.32 kg [2]

Specifications
