K0235 elektrokemisk cell

Electrochemical cell

K0235 elektrokemisk cell – electrochemical cell from AMETEK Scientific Instruments.

Cell format	perating volume	Sample and application
Flat cell [1]	**250 mL** [1]	**Flat samples** [1]

Specifications

Cell format	Flat cell	[1]
perating volume	250 mL	[1]
Sample and application	Flat samples	[1]
Maximum sample thickness	<9.5 mm	[1]
Listed sample sizes	Ø19 mm to 152 × 152 mm	[1]

Every value is taken from the manufacturer's own document; the number after the value refers to the source list. Always check against the latest datasheet before ordering.

The data comes from the manufacturer's published documents. Manufacturers may change specifications; the current configuration and performance are confirmed in the quotation.
