PAR 20 A extern booster

Current booster

PAR 20 A extern booster – current booster from AMETEK Scientific Instruments. Maximum current: ±20 A. Compliance voltage: ±20 V.

Maximum current
±20 A [1]

Compliance voltage
±20 V [1]

Specifications

Maximum current	±20 A	[1]
Compliance voltage	±20 V	[1]
Polarization voltage	Defined by the potentiostat	[1]
Installation	External booster and internal interface card	[1]
Software	VersaStudio	[1]

Every value is taken from the manufacturer's own document; the number after the value refers to the source list. Always check against the latest datasheet before ordering.

The data comes from the manufacturer's published documents. Manufacturers may change specifications; the current configuration and performance are confirmed in the quotation.
