RDE0081 rotationselektrod

Electrode

RDE0081 rotationselektrod – electrode from AMETEK Scientific Instruments.

Component type
ChangeDisk RDE tip [1]

Required combination
636A RRDE + RDE0070 shaft + ChangeDisk electrode insert and tools [1]

Shroud
PTFE [1]

Specifications

Component type	ChangeDisk RDE tip	[1]
Required combination	636A RRDE + RDE0070 shaft + ChangeDisk electrode insert and tools	[1]
Shroud	PTFE	[1]
