AMETEK SI

VersaSCAN Software

Software · instrument control

Control of electrochemical scanning systems.

Primary function	Instrument support	Listed operating system
Control of electrochemical scanning systems [1]	**VersaSCAN and VersaSCAN-2** [1]	**Windows 10 and 7** [1]

Specifications

Primary function	Control of electrochemical scanning systems	[1]
Instrument support	VersaSCAN and VersaSCAN-2	[1]
Listed operating system	Windows 10 and 7	[1]
Software dependency	Listed update requires VersaStudio 2.52 or later	[1]
Motion control	Manual X, Y and Z control	[1]
Techniques per manual	SECM, SVET, SKP, SDC, OSP and LEIS with the corresponding hardware	[1]
Homing	Homing is required after the positioning controllers are powered off	[2]

Every value is taken from the manufacturer's own document; the number after the value refers to the source list. Always check against the latest datasheet before ordering.

The data comes from the manufacturer's published documents. Manufacturers may change specifications; the current configuration and performance are confirmed in the quotation.
